

## DESCRIPTION

**DP38-NBN**  
Brass NUTONE size

**DP38-NBKN**  
Black NUTONE size

**DP38-NBZN**  
Bronze NUTONE size

**DP38-NSN**  
Aluminum NUTONE size

The N-Series Door Station models include **DP38-NBN**, **DP38-NBKN**, **DP38-NBZN**, and **DP38-NSN**. These units provide standard door-to-phone communication when used with the **DP28-C\***. A new design not only brings great new looks, but great new additions as well. A discrete slot is available for an optional third-party 14mm pinhole camera and the weather-proof back box provides quality protection and durability for your unit. All N-Series mount into any standard NUTONE's (IR-6 or IA-70) box as flush or surface mounts. Colors are available in 4 anodized finishes: brass, black, bronze, and aluminum. These Door Stations are also available in kits with the DP28-C as the **DP38-BN**, **DP38-BKN**, **DP38-BZN**, and **DP38-SN**.

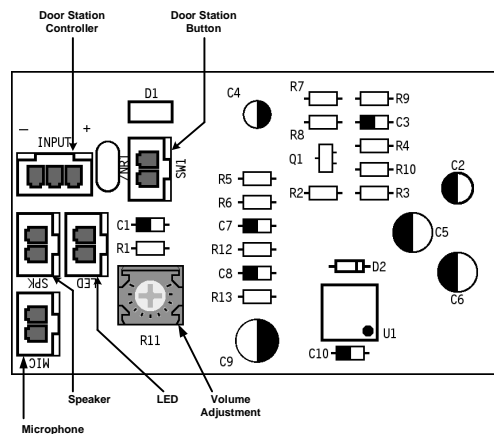

\*DP28-C not included

## FEATURES

- Manufactured in aluminum with anodized Brass, Black, Bronze, and Aluminum finishes
- Mounts into any standard NUTONE's (IR-6 or IA-70) box as a flush or surface mount
- All back boxes are manufactured in steel with black powder-coating finish and provides superior protection from the elements
- No external power required: power drawn from connected Door Station Controller (DP28-C)
- LED button lights up when the Door Station is active
- Discrete slot available for optional 3<sup>rd</sup> party cameras

## APPLICATIONS

- Communicate with people at a door, gate, or any other entrance way where Door Station is present
- Can be placed at:
  - Front/Rear Entrances
  - Remote Entryways
  - Marine Docks
  - Delivery Docks
  - Secured Facilities
  - Senior Housing
  - Disabled Housing
  - Apartment Complex
- Use in conjunction with the DP29-CI to activate external trigger devices (e.g. door chimes, cameras, lights...) with the Door Station
- Use in conjunction with the DP29-SW to open electronically locked doors or gates with the phone
- Use in conjunction with the DP38-T to answer your door with your cellphone
- Mount a third-party 14mm security camera in the camera slot to see who is at your door
- Use as extra Door Station to any Door Station Kit

ACNC/TotalPlex®
